Standard Features

Stable Lite Standard Features:

Ultra-Lightweight- Lightest trailer model in the industry.
Air Craft Quality Aluminum- Higher tensile strength and light weight, conducts less heat.
6' Wide- Stays behind your vehicle for less wind resistance and increased visibility around trailer while in tow.
SLANT LOAD: stalls at 43" Apart, 33" width (90 degree angle), and 120" long for more comfort for your horse.
swinging Tack Wall- This increases trailers versatility allowing more room for hauling other items.
Battery for Brakes- Rechargeable battery for electric break away switch.
LED Lights- Brighter, longer lasting and uses less amperage from vehicle.
One Key System- Use one key for every lock on trailer.
Wood Floor for easy cleaning and long lasting flooring.
Removable Rubber Floor Mats

Fletcher

Q: Why are some bumper pulls showing 180 months vs. 120 months for financing?

If the amount financed is greater than \$25,000 the trailer can be amortized up to 180m term.

If the amount financed is under \$25,000 the amortization is lowered to 120m.
