AS-IS

This is being sold AS-IS since our shop is too busy and we wanted to let someone buy this trailer and get a great deal on it.

Our customer that traded this in, purchased it from us in 2019 and has loved it since. They painted it white and converted the ramp to a step up.

Solid trailer, pictures of subframe included.

Specifications

Weight: 2745 kg (6,051 lb.)
